- Dependable brass rollers on horizontal sliding units
- Easy screen removal
- Extruded J-channel on all window models (except venting units)
- Warranty is one of the industry's best.

Built Better to Be Better

- Pure, 100% virgin vinyl gives a bright, polished appearance that won't fade over time, unlike typical reground vinyl.
- Vinyl framing is 20% thicker than many leading brands and contains metal inserts in critical areas to hold firm against unruly weather.
- Manchester glass panes are 33% thicker than many other windows on the market, offering increased thermal control and sound deflection.
- Only top-of-the-line hardware, all independently tested to assure years of use.
- Quaker's standard screen mesh is the best on the market -- BetterVue™. It has 20% more optical clarity, and 10% better insect control compared to other leading screen meshes.
- Revolutionary Flexscreen, complete with BetterVue™ mesh, is standard for our Casement and Awning models.
- Installation-friendly with a pre-punched nailing flange for a firm fit.

Personalize and Enjoy

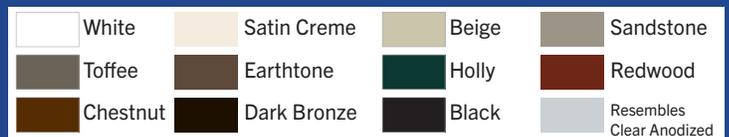

Vinyl Colors

The Manchester Series showcases an unmatched glossy appearance in 2 vinyl colors. Our vinyl carries a 20-year warranty* against peeling, rotting, flaking, blistering, or corroding.

Optional Painted Exterior Vinyl Colors

Heat reflective exterior paint finish carries a 10-year warranty* against fading or significant discoloration.

Optional Laminate Choice

**Note: Although every effort is made, printed colors may not accurately reflect the actual paint color. For an exact color match sample, please contact your Quaker dealer. Quaker does not assume any responsibility for any misrepresentation of our colors.*

Glass Options

Outstanding energy-efficiency is yours courtesy of high-performance insulating glass. Meet Energy Star requirements by adding the perfect glass combination to meet your year-round comfort expectations.

Optional Grids

- Decorative between-the-glass muntins add a touch of flavor. Plus, they're dust and maintenance free.
- Simulated Divided Lites (SDL), with their 3-dimensional look, simulate early window architecture, which used individual glass panes (a.k.a. divided lites) for distinct impressions.

Additional Options

Safety glass, Privacy glass, Installation accessories, Upgraded safety features, Custom exterior colors, Blinds-between-the-glass (doors only), and many others.

Doors

Don't forget to think about doors. Vinyl, wood or aluminum. Sliding or hinged. Quaker has a variety of doors that can be made to fit your home's personality.
