

Presenting the most stylish
element of the Brighton Series
wood clad window family

QUAKER
RESIDENTIAL WINDOWS & DOORS

 **BRIGHTON**
SERIES

PUSH-OUT CASEMENT

PUSH-OUT CASEMENT

Standard Features

Beautiful radiatta pine interior can be stained or painted to get the look you desire.

Extruded clad exterior is available in 11 popular colors (shown below)

21 more "Quick Pick" colors are also available, plus custom color matching capability too.

Due to printing limitations, colors shown may not accurately reflect actual paint color. Quaker does not assume any responsibility for any misrepresentations of our standard colors. Please call your authorized Quaker dealer for an actual color sample.

Patented push out hardware system by Truth™ combines a vintage look with current performance requirements.

Finishes available:

- Oil Rubbed Bronze
- Polished Chrome
- Brushed Nickel

Quaker insulated glass is sealed with a warm edge spacer that carries a 20-year warranty against seal failure.

Options

Optional retractable screen is there when you need it and can be put in a stowed position when you don't.

Pre-finished white, pre-finished black, or primed interior eliminates post-installation work.

Quaker has developed energy-efficient glass packages to fit any climate and location; Choose from: EnergyBasic, Energy 3S, EnergyPlus, EnergyMax, EnergyNorth, EnergyEnhanced and EnergyObscure. Ask your dealer which glass will work best for you.

Additional options for glass: Privacy glass (opaque), safety (tempered) glass, Neat+ Low-Maintenance glass, tinted glass (bronze, grey, green, blue), laminated, spandrel, mirrored and more are available

Personalize your Brighton windows with grids.

- Simulated Divided Lites replicate a look of days gone by.
- Grids between the glass are dust-free, available in a flat or contoured shape, and offered in single color or two-tone appearance.
- Wood surround grids add beauty yet can be removed quickly for easy cleaning.
