QUAKER

RESIDENTIAL WINDOWS & DOORS

Bi-fold doors may vary slightly in appearance.

Every attribute you would ever want in a bi-fold door is available from Quaker's Brighton™ Bi-Folding Doors. Excellent quality, outstanding performance and the handsome, luxurious look of wood all interconnect beautifully... allowing you to make your home an open-air haven.

The Brighton™ Bi-Folding door is available in many sizes and configurations (*see reverse side*).

An innovative hinge system that provides smooth operation coupled with reliable functionality is part of every Brighton™ Bi-Folding door system.

Tailor your Quaker bi-folding door the way you want it with the many options offered including a choice of pine or alder wood, various glass packages, several hardware finishes, and virtually any exterior color under the sun.
