

CityVu Windows

Patented OptiCore® Technology

OptiCore®, a proprietary technology exclusive to Quaker Windows, emboldens an architecturally enhanced aluminum frame design that maximizes thermal, structural and sound performance.

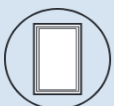

Effortless Performance

Engineered for the extremes, CityVu Windows by Quaker were designed with comfort in mind and built to define how the next generation of windows should be.

Superior Thermal Properties

Offered with a series of energy-enhanced glass packages, each window has been equipped for year-round maintenance-free versatility.

Slim Profile, Lightweight Design

Modern and minimalist sight lines make for beautiful views and larger window sizes.

Contemporary Design With Superior Product Features

CityVu Window Highlights, Performance and Operation

- Patented OptiCore® Technology Framing System
